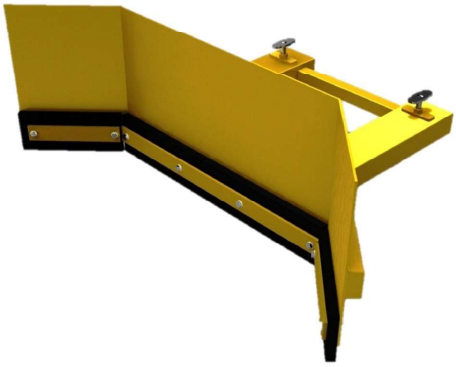
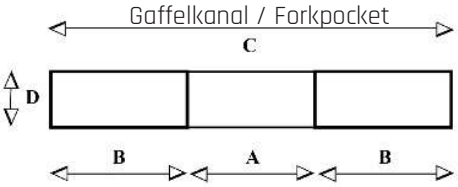
Terræn skraber, truckmonteret / Skraper, Truck Mounted



Denne skraber er designet til at skubbe affald o.lign.
Vinklet ender sørger for at affaldet ikke smutter ud over siderne
Ideel til at rense store områder for snavs og/eller udjævne indkørsler, belægning, osv.
Udstyret med fjedre for at absorbere stød fra ujævne overflader
Fuld justerbar, så skraberen kan monteres i forskellige vinkler

This scraper is designed for pushing waste, etc.
Angled ends prevents waste from slipping out through the sides
Ideal for clearing large areas and/or flattening yards, driveways etc.
Euqiped with springs for absorbing bumps and uneven surfaces
Full adjustable, can be fittet in different angles



Forkpocket dimensions: A=440 mm, B=170 mm, C= 800mm, D=50 mm
