

Hydraulisk wireklipper / Hydraulic Cable Cutter

Klipper stålwire over nemt og hurtigt
Klipper ved hjælp af det hydrauliske system
Wireklipperen kan transporteres over alt, på skibe, både, havne, værksteder, konstruktion, landbrug, industri osv.

Cuts steel wire easy and fast
Cuts using a hydraulic system
This cable cutter can easily be transported around, ships, harbours, shops, construction sites, etc.

Art No.	Cutting capacity dia mm	Dimensions mm	Weight Kg
HYW3330	8 - 30	420x150x220	18,0
HYW3340	10 - 40	420x150x220	18,0

Akku stålwireklipper / Cordless Cable Cutter

Klipper let stålwire, også med stålkerne (IWRC)
Blad konstruktion: high-speed stål med titanium belægning
Justerbart hoved: 180 grader rotation
Leveres med:
Ergonomisk skulderstrop
Ekstra batteri
Oplader 230V

Cuts steel wire rope, also with steelcore (IWRC)
Blade construction: High-speed steel with titanium coating
Adjustable head: 180 degree rotation
Delivered with:
Ergonomical shoulder strap
Extra battery
Charger 230V

Art No.	Cutting capacity dia mm	Output pressure tons	Cutting speed sec	Charging time minutes	Weight Kg
AWRC20	1,5 - 20,0	10	7	37	6,3

Akku bolt & kædetang / Cordless Bolt & Chain Cutter

Gør det lettere at klippe stål stænger og stål kæde
Blad konstruktion: high-speed stål med titanium belægning
Justerbart hoved: 180 grader rotation
Leveres med:
Ergonomisk skulderstrop
Oplader 230V + ekstra batteri
1 sæt ekstra skær
1 håndtag m. beskyttelses skærm

Makes it easier to cut steel rods and chain
Blade construction: High-speed steel with titanium coating
Adjustable head: 180 degree rotation
Delivered with:
Ergonomical shoulder strap
Charger 230V + extra battery
1 set of extra inserts
1 handle w. Protection screen
